

# Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young man is **GREGORY WAKHANALA**. As of June 26, 2009 he is 19 years old and is a promising student in Form 1. His mother died several years ago. He lives with his father who is quite poor and doing all he can to keep Gregory in school but truly needs a sponsor if he is to ever have any hope of continuing on to college and pursue a dream career as an engineer. We pray you will help! To sponsor Gregory, fill out the form below & make your annual or monthly gift payable to:
