

# Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young man is **EDWIN MABIA**. As of May 24, 2009, he is 20 years old and is a promising student in Form 3. He lives at home with his parents and siblings. His father works when he can and manages to pay some school fees but it's not nearly enough. The family income is less than \$285 annually. Edwin needs a sponsor for the next two years if he is to have any hope of ever breaking the endless cycle of poverty in his family. He loves to study and he wants to become a doctor. We pray you will help! To sponsor Edwin, fill out the form below & make your annual or monthly gift payable to:
