

Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young lady is **JOSELYNE AFWANDI**. There is no record of her birth date but the school thinks she is 19 years old and a promising student in Form 3. Her parents abandoned her and her siblings and are presumed dead. She lives with her grandmother who is truly struggling to raise this family. Grandma is unable to pay school fees and needs your help for the next two years if Joselyne is to ever have any hope to break the endless cycle of poverty in her family. She wants to be a nurse. We pray you will help! To
