

Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young man is **FERDINAND SHISUMU**. As of April 4, 2009, he is 21 years old and a promising student in Form 2. He lives with his grandmother and six brothers and sisters; one sister attends Mugomari Secondary school too. Ferdinand managed to borrow a uniform to get into school but his school fees have not been paid. This family genuinely needs a sponsor for the next three years to see to it that Ferdinand is

able to stay in school, graduate, and God willing, go on to college to become a doctor, his dream! We pray you will help! To sponsor Ferdinand fill out the form below & make an annual or monthly gift payable to:
