

Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young man is **BONFACE LILUMA**. As of March 19, 2009, he is 18 years old and a promising student in Form 2. He lives with his parents and two brothers at home. Both parents are past employment age and cannot pay school fees. Bonface needs a sponsor for the next three years in order to stay in school, graduate and God willing, go on to college to become an engineer; his dream career! We pray you will help!
