

# Would You Sponsor This Kenyan Student?

COMMIT Ministries is helping the community of Mugomari in Kenya to construct a secondary high school mostly for orphans. This community has been devastated by the HIV/AIDS virus. The government provides for education through Standard 8 but not nearly enough for high school making it very difficult for most of the children in this region. Without a sponsor, this student will not be able to complete school.

This young lady name is **PRAXEDES UPUNGU**. As of August 17, 2009 she is 19 years old and a promising student in Form 3. She lives at home with her parents but neither work and are unable to pay the school fees for their daughter and upcoming children. The family desperately needs help and a sponsor to keep Praxides in school to pursue a medical career, her dream. Her education will forever end the cycle of poverty in this family. We pray you will help! To sponsor Praxides, fill out the form below & make an annual or monthly gift payable to:
